The first visit by the Oregon Mobile Dentistry team includes:

- Travel/Staff time
- Equipment
- Comprehensive exam
- X-Rays
- Treatment plan

The cost of the first visit is \$500.00 (plus the cost of any treatment completed). For each additional appointment needed, the fee is reduced to \$250.00 (plus the cost of treatment completed).

As a courtesy to the patient, insurance will be billed for any covered service. Some services may require a prior authorization from the insurance company, in which case service will need to be done on a later date.

In the event that your treatment plan changes after doctor completes exam and reviews the x-rays, the patient may give verbal consent to do additional treatment. The patient/responsible party is responsible for the difference in the remaining balance. By signing below, you are agreeing that you understand all costs are the best estimate we can provide based on the information given to us at the time appointment was scheduled. All payments are due at time of service & all unpaid balances are subject to late charges as well as further collection action if balance is not paid in a timely manner.
